February 1, 2010

The Humboldt Broncos Junior Hockey Club wishes to extend an invitation to attend our Spring Training Camp. This year's camp will be held Thursday April 1st, 2nd, and 3rd. The Humboldt Broncos spring camp is used to evaluate prospective players that would like to play Junior A hockey in the future, with limited resources we feel this is your chance to show the coaching staff your skills.

Should you choose to play for the Broncos, you'll find Humboldt is a great place to enjoy Junior hockey. The Broncos practice and play out of the Elgar Petersen Arena, which is one of the top facilities for Junior A hockey in Western Canada. Our players are issued memberships to Humboldt Therapy Center, where our dry land program is based. The clinic has qualified personnel supervising each player's individual program, as well as having physiotherapists and a massage therapist on staff to treat injuries promptly as they occur.

The community of Humboldt is preparing to host the 2012 Royal Bank Cup Championships, and would like you to be a part of it. The Broncos would automatically qualify for this prestigious event and feel fortunate to have captured this Championship in 2003 and 2008.

Our organization stresses the importance of a good education. Humboldt Collegiate Institute offers a tremendous high school program. Many of our players take first and second year university classes at St. Peter's College (affiliated with the University of Saskatchewan). With successful completion of any classes, our hockey club reimburses the players for tuition costs. Many SJHL players go on to play college hockey in the U.S. and Canada. By playing Junior A, a player retains eligibility for a NCAA scholarship.

*If you are interested in attending our spring camp and taking the first step to becoming a Bronco complete the enclosed registration form and return it by March 20th, 2010 along with a cheque for \$65.00 to ensure yourself a position in camp. **We will be limiting our camp to workable numbers so that we can give each player a good evaluation.** We hope you come to camp in the best possible condition, so that we can evaluate you at your best. Along with the camp fee, you are also responsible for your meals and accommodations.*

We are looking forward to seeing you at spring camp.

Best regards,

*Dean Brockman,
Coach/GM*
